Secretary/Treasurer: Sangita Sharma

Who We Are:

The Student Dormitory Council at Carnegie Mellon University is an inclusive representative student organization. Established in the Early 1900's, SDC has continuously served all the residents of the university campus. SDC and its various committees work to positively impact every facet of resident life by constantly seeking help and advice from the student residents. Today, SDC is one of the most prominent and influential organizations on the Carnegie Mellon University campus.

Our Mission:

To help residents enjoy a positive community experience at Carnegie Mellon University.

Our Goals:

- To represent residents to the University Administration.
- To involve residents through our organization and through the events we organize on campus.
- To create opportunities for all residents to learn and have fun.
